

### 7.1.3

The college is situated amidst the picturesque environment of nature. Geographically, it is located at an altitude of 4307.7 feet above sea level, on parts of the mighty Himalayas and coordinates 30.51 N latitude and 78.5 E longitude. The college is enriched with an environment and ecological system. As a carrier of the tradition of nature's blessings, the college is committed to the concept of a green campus and strives to conserve the wildlife and ecological system, as well as make the surrounding environment friendly. Self-evaluation of activities is periodically carried out, and through the internal structure of the Green Audit, assessment and future plans are formulated.

The presented Green Audit report is made possible with the assistance of the college's Environmental Committee.
